2024-04 - Current	<div><b>Full Stack Web Developer Intern</b></div> <div><i>TaxPido (formerly TaxAdda Private Limited), Jaipur, India (Remote)</i></div> <ul style="list-style-type: none"><li>Leveraged modern frameworks like Node.js and Express.js for efficient server-side development.</li><li>Conducted thorough testing of web applications to identify and fix bugs, ensuring high-quality end products were delivered to clients.</li><li>Reduced server response time by optimizing database queries.</li><li>Developed, coded, modified, and debugged application programs of varying degrees of complexity with full independence.</li><li>Increased code maintainability by developing reusable components following modular design principles.</li><li>Enhanced user experience by designing and implementing responsive web applications using ReactJS and Tailwind CSS.</li><li>Delivered high-quality, well-documented code that adhered to established coding standards and guidelines.</li><li>Integrated third-party APIs, enabling seamless data exchange between applications and improving overall functionality.</li></ul>
-------------------	--

2022-10 - 2024-04

Frontend Developer Intern

TaxAdda Private Limited, Jaipur (Remote)

- Frontend Developer Intern at TaxAdda Private Limited.
- Led TaxAdda PMS digital transformation with dynamic responsive web interfaces by developing reusable components for efficient development processes using React.js & Tailwind CSS.
- **Developed** the TaxAdda PMS **Chrome** extension, which allows users to fill in login details on sites like GST, IT, TRACES, and other portals.
- Assisted in **debugging** issues promptly by **identifying root causes** and **implementing appropriate solutions** , minimizing downtime for endusers.
- **Contributed ideas** during **brainstorming sessions** about new features or improvements needed in existing applications based on client feedback or personal observations from user interactions with the software.
- Utilized version control tools like **Git** to manage code effectively within a team environment, reducing merge conflicts and fostering collaboration.
- Collaborated to enhance the user experience by developing responsive and interactive web applications and implementing innovative web solutions.

Education

2024

Bachelor of Science: Zoology

Nalanda Open University - Patna, Bihar
